

## PREDATOR 14 BATTERY POWERED SCRUBBER

**The professional choice  
for cleaning small to  
medium sized areas.**

- Designed to scrub hard-to-clean areas where a traditional mop and bucket are used; compact and versatile, this scrubber is ideal for confined or small to medium sized areas in fast food restaurants, small retailers, classrooms, hospitals, medical offices and much more
- Eco-friendly low moisture saves on chemicals and water
- Incredible water recovery with a parabolic squeegee system mounted just 1" behind the pad - solution is contained within the cleaning path and instantly recovered, even around 180 degree turns
- Low-operating noise level of 68 dB is safer for employees, allows for cleaning during business hours and meets LEED standards
- Save time and money with maintenance free gel batteries (included) and integrated onboard charger making it simple to re-charge at any location
- Minimize worker fatigue and injury with the ergonomic, adjustable handle – scrubber fits operators of all heights
- Compact low profile easily reaches difficult areas, under counters and furniture
- Easy maintenance - recovery tank lifts off for simple disposal of waste water
- Works on multiple hard floor types including: concrete, terrazzo, marble, slate, stone and vinyl composition

# PREDATOR 14 BATTERY POWERED SCRUBBER

14" cleaning path fits easily down narrow congested aisles and the multi-position handle makes getting under counters a breeze

Compact design cleans right up to the walls

This unit is so simple to use, you'll save time and money by reducing training time required by your staff
