PS25 Commercial Spotter

*The Professional Choice for
Carpet and Upholstery Care*

Expand Your Extractor Line with a Commercial Spotter

The PS25 commercial spotter is portable, light-weight, and extremely powerful. It is perfect for touch-ups, spot removal between scheduled carpet cleanings, and those locations where the bigger extractors just won't fit. And, you can use it to pick up small wet spills quickly and easily. The PS25 takes the hassle out of cleaning spots before they become a major stain.

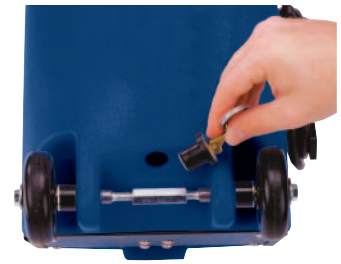

All steel cord wrap

er, or just tilt the PS25 back on its smooth transport wheels for maximum go anywhere convenience!

The compact PS25 weighs only 20 pounds and can be effortlessly picked up and moved from one location to another.

The PS25 is shipped complete with a 4 inch molded upholstery tool and a 10 foot vacuum and solution hose. Simple connections make it easy to attach the solution and vacuum hoses so you will be set up in minutes. Just add water and chemicals to the solution tank and you are ready for quick and easy cleaning. When the job is finished, the PS25 is easy to empty too. Just remove the drain plug from the tank, tilt the PS25 back, and the recovered solution will drain right out.

Easy rear drain system provides clean and complete emptying of recovery tank

The PS25 spotter is the ideal solution for many carpet cleaning problems. Instead of using a big extractor for a small problem - just use the PS25 commercial spotter!
