

Powr-Flite®

PF600BP/PF1000BP Backpack Vacuums

- 6 and 10 qt. models for easy high-speed vacuuming
- Ergonomically designed, fully adjustable comfort-fit shoulder harness and waist belt assure a perfect fit for any operator
- Tools fit conveniently on waist belt
- Shake-out inner cloth bag plus disposable paper filter bags for efficient dust containment and filtration
- 4-stage filtration with optional HEPA filter improve indoor air quality
- Whisper-quiet 71dB operating level
- Complete set of tools including: crevice, hard floor, easy glide carpet, upholstery, dusting tool and a 2 piece double-bend wand

Easy reach stretch hose for effective off-floor cleaning

New exhaust outlet diverts warm air away from operator.

Comfort-fit backplate, shoulder harness and waist belt provide added support and include convenient hand tool storage.

The Powr-Pro backpack vacuum is available in either a 6 quart or 10 quart size; both with powerful suction to capture and contain more soil and dust. Excellent for “crew cleaning”, the Powr-Pro backpacks make it easy to get in and out of confined spaces quickly and easily. The Powr-Pro backpacks are much easier and faster to use... they reduce fatigue and provide greater productivity compared to traditional upright vacuums.
