A NEW STANDARD IN BACKPACK VACUUM COMFORT

SUPER QUIET OPERATION

Operates at a whisper-quiet 62 dBA, for cleaning in noise sensitive environments, and meets US Green Building Council LEED-EB and COMS-GD requirements for noise sensitivity.

COMFORTABLE

Our comfortable harness, provides a contoured, padded, and easily adjustable lightweight and breathable mesh back panel for superior operator comfort and cooling.

WORLD CLASS CLEANING PERFORMANCE

The new Comfort Pro Backpack vacuums have earned the "Gold" Seal of Approval from the Carpet and Rug Institute, the pinnacle of cleaning performance.

WORLD CLASS CLEANING PERFORMANCE

Engineered to deliver superior cleaning power, productivity and dependability, while protecting Indoor Air Quality, these backpack vacuums are the perfect combination of power and comfort.

HANDS-FREE SYSTEM

Storage of tools, including the wand, is right on the belt for operation convenience. BP10P has storage on the belt for additional tools.

ACTIVE COOLING

Both models feature a lightweight breathable mesh back panel that allows in cooling air, keeping the operator up to 25% cooler. The BP10P takes it to the next level with a patent pending "AC" system that actually pulls warm air away from the operator.

VERSATILE CLEANING

Aluminum telescoping wand allows each access to a wide variety of areas. Perfect for cleaning carpet, hard floors, and above floor cleaning.

SUPERIOR COMFORT

Contoured, padded, and easy to adjust shoulder straps, adjustable chest strap, heavily padded waist belt with lumbar support, and shoulder mounted load stabilizer provide better control and comfort. Adjusts to fit all body types.
