

WET-DRY
VACUUM

15-GALLON Wet/Dry Vacuums

Item# PF53 Stainless Steel & PF54 Polyethylene

15 Gallon
Capacity

1200W/1.6 HP

100" / 114
Waterlift/CFM

1.5" x 10' Hose

Powr-Flite®

BUILT FOR RUGGED DEPENDABILITY IN BOTH DRY AND WET RECOVERY

POWERFUL

Available with a heavy-duty stainless steel or polyethylene tank, these vacs outperform and outlast common wet/dry vacs.

UP TO 3-STAGE FILTRATION

Pleated paper cartridge backed by a washable cloth filter keeps dust from circulating back into the air. Optional paper bag adds additional layer of sealed filtration.

PRO TOOLS & CONSTRUCTION

Includes 10' swivel hose, 2-piece stainless steel wand, crevice and dusting tools, and 14" rug and squeegee tools.

ACCESSORIES

PART #	DESCRIPTION
FM100	Front Mount Squeegee, Fits PF53
FM100H	Front Mount Squeegee, Fits PF54
155PB	Paper Bag (single)
WD3	Cloth Filter Assembly
WD36	Pleated Synthetic Filter Cartridge, Washable

WIDE HOSE

Fewer clogs with the large 1.5" vacuum hose.

EASY WASTE DISPOSAL

Rear-mounted drain hose on the polyethylene model and simple tip and pour on the stainless-steel model.

MOBILITY

Front swivel caster wheels and large 8" rear wheels offer easy maneuverability and stability over curbs.

QUIET

Sound-insulated vacuum head lowers decibel level for quiet cleaning.

MOVES WITH YOU

Swivel hose connector allows 360-degree hose rotation.

ADD-ON FRONT MOUNT SQUEEGEE

Optional front mount squeegee system picks up water faster than a hose wand and its especially effective in tight spots.
