Item# PF57 Stainless Steel & PF58 Polyethylene

20 Gallon  
Capacity

Two  
1200W/1.6 HP

80" / 192  
Waterlift/CFM

1.5" x 10' Hose

**Powr-Flite®**

## DESIGNED FOR HEAVY DUTY INDUSTRIAL CLEANING AND MATERIAL HANDLING.

### POWERFUL

Dual motor models produce more suction power and 100" waterlift for maximum performance and minimizing debris clogs.

### ENHANCED FILTRATION

Offers 2-stage filtration with washable cloth filter bag to keep dust out.

### PRO TOOLS & CONSTRUCTION

Includes 10' swivel hose, 2-piece wand, crevice and dusting tools, and 14" rug and squeegee tools.

## ACCESSORIES

PART #	DESCRIPTION
FM200	Front Mount Squeegee, Fits PF57
FM200H	Front Mount Squeegee, Fits PF58
155PB	Paper Bag (single)
WD4	Cloth Filter Assembly, Washable for PF57
WD3	Cloth Filter Assembly, Washable for PF58
WD36	Pleated Synthetic Filter Cartridge, Washable

### WIDE HOSE

Fewer clogs with the large 1.5" vacuum hose.

### EASY WASTE DISPOSAL

Rear-mounted drain hose on the polyethylene model and simple tip and pour on the stainless-steel model.

### MOBILITY

Large rear wheels and front swivel casters offer easy maneuverability and stability over curbs.

### QUIET

Sound-insulated vacuum head lowers decibel level for quiet cleaning.

### MOVES WITH YOU

Swivel hose connector allows 360-degree hose rotation.

### ADD-ON FRONT MOUNT SQUEEGEE

Optional front mount squeegee system picks up water faster than a hose wand and its especially effective in tight spots.
