POWER AND DURABILITY!

Cold or hot water
5, 10 or 15 gallon
extractors

Commercial Box Extractors

Item# PFX5S-NW – PFX10S-NW – PFX15S-NW – PFX10H-NW – PFX15H-NW

Heavy-duty fiberglass construction for dependable durability

- Heavy-duty, hand-laid fiberglass construction
- Strong 2 and 3 stage Lamb motors offer 136" - 150" of water lift
- 5, 10 or 15 gallon tank capacity
- 45 - 100 p.s.i. pump systems
- Easy-grip mobility handles
- Optional 1,750 watt heater

Motors and pumps are contained on a steel-mounted plate, which reduces maintenance time by allowing easy access and provides an exceptionally strong motor, heater and pump mount!

DURABLE AND DEPENDABLE

Powr-Flite Box Extractors are known for their heavy-duty fiberglass constructions that helps them run for years longer than similar products. With models ranging from 5 to 15 gallons and available with or without an in-line heater, you can choose the features that best fit your specific needs.

Models PFX10H-NW and PFX15H-NW have the added benefit of hot water for maximum cleaning results. These models have two 30 ft. power cords and 20 ft. of "Insider" vac and solution hose.
